

## **PLACEMENT DIVISION**

The Placement Division is headed by Prof. R. Sundararaman Training and Placement Officer.

- I. MNMJain Engineering College has a well laid out and systematic process of fitting together student's career aspirations with corporate expectations.

A placement Cell was initiated in the year 1997 to arrange for campus and off-campus interviews for the students The first batch of students passed in the year 1998. It is now grown in to a full fledged Placement Division. It is currently headed by Placement Officer. The Placement Division has staff & student Coordinators from each department for smooth and effective coordination

- ❖ MNMJEC follows a two –tier process.
- ❖ It builds in the students, the competencies that are of value to the prospective employers, both in contemporary as well as future perspective.
- ❖ It helps prospective employers articulate their human resources needs and accordingly prepares and recommends students to them for placement.
- ❖ Response from the industry / recruiters has been excellent and their Presence in the campus recruitment has increased over the years.

### **III. OBJECTIVE**

- a. The objective of the Division is to look for a 100% employment of all the eligible students and strive to bring more number of prospective recruiter to the campus.

#### IV. ACTIVITIES

- Job Opportunities to students through On Campus, Off Campus, Centralized Campus, State Level Placement Programme (CUIC – Anna University) and job fairs etc.
- Career Awareness Sessions.
